Your car. Always connected.

Want a seamless digital experience? The new SEAT Leon keeps you constantly connected. Behind the wheel or outside your car. Download the SEAT CONNECT App and use your smartphone to access vehicle data. Or open SEAT CONNECT through the touchscreen to start planning your route or organise your playlist. Now you can locate parking slots, see real-time traffic maps and get route information to improve your experience even more. Always there, always on. That's what real connectivity means.

Safety & Service Pack.

Need urgent assistance on the road? Private Emergency Call detects an accident as soon as it happens and automatically sends your location to the emergency services. Something less serious to report? Reach out with Breakdown Call. Time to contact us or arrange a service? Customer Care and Service Scheduling will take care of that for you.

O : Optional | S: Standard | -: Not Available Note: *RRP From is based on the lowest available VRT rate for that model range, adding options to vehicles with higher VRT rates will cause options to increase in cost. The addition of optional extras may result in the vehicle increasing in Co2 g/km and therefore, attracting a higher rate of VRT than described in this product guide. For your exact configuration value, both Co2 g/km and RRP, please visit the seat.ie configurator

Alarm System	WAS	5D SP	O	O	O	O	O	€323

O : Optional | S: Standard | -: Not Available Note: *RRP From is based on the lowest available VRT rate for that model range, adding options to vehicles with higher VRT rates will cause options to increase in cost. The addition of optional extras may result in the vehicle increasing in Co2 g/km and therefore, attracting a higher rate of VRT than described in this product guide. For your exact configuration value, both Co2 g/km and RRP, please visit the [seat.ie](https://www.seat.ie) configurator.
